Report on in-house support to teachers for research by institutions.

- 1) Seed Money for doctoral studies/research projects-college aims to provide financial support to teachers for their doctoral studies or for research projects they want to pursue. Seed Money consideration is written in the research policy.
- 2) Granting study leaves for research field work-There is a provision of granting study leaves to teachers for their doctoral programs study or for their work related to research.
- 3) Undertaking appraisals of institutional functioning and documentation-our college focus on bringing improvement in the institutional functioning and quality in research work by taking feedback from teachers. Samples of filled appraisal forms by teachers are shown hereby with. Appraisals are taken by teachers annually without relieving their identities. Questions related to various aspects of research followed in the institution have been asked. Steps are taken according to the feedback received to improve the functioning of the institution.
- 4) Facilitating research by providing organizational Support-Research programs can not be accomplished without support of the institution. Various types of support provided by institution are Library facilities, Computers , Photocopy machine, Transportation facility for visits, Internet facilities, Personal desktops, Printers ,computer at Library etc.
- 5) Organizing Research Circle/internal seminars/interactive sessions on research-Research committee is established in the college for taking decisions related to research work and activities that have to be conducted for teachers and students related to research. Various activities like seminars, workshops and interactive sessions are conducted under research committee. ~~The details of activities have been given below~~
