## **Perspective Plan 2018-2023**

The strategic planning of 5 years considering the availability of the financial resources. Its need and utilization is planned as follows. The major part of the strategic planning includes the following:

- To make available scholarships of various government and non-governmental organizations to students.
- Moving towards green campus.
- To introduce E-Content development.
- To implement E- governance in phased manner.
- Enhancing sports and games facilities.
- To push students to exhibit their creative talent and skills through extracurricular activities.

### Plan 2018-2023

Sr. No.	Strategic Plan	Action Taken
1.	To make available scholarships of various government and Nongovernmental organization to students.	Students were regularly informed about the scholarships of various government and Nongovernment organizations to students.
2.	Moving towards green campus	We have planted enough number of trees in our campus.
3.	To introduce E-Content development	E-Contents has been developed by several faculties using tools such as PPT, video clips, you tube, social media, etc.
4.	To implement E-governance in phased manner.	We use E-library manager in Library
5.	Enhancing sports and games facilities	Various games are available for students.
6.	To push students to exhibit their creative talent and skills through extracurricular activities.	Every year we arrange cultural programs, sports events, technical events for students.
7.	Organize study tours, Industrial visits and field visits.	Industrial visits are organized for students as per their academic requirements.
