Action taken report on curriculum

2020-21

On the basis of feed back received from students, faculties & alumni on B.Ed curriculum the following action were taken:

- Through the students are satisfied with curriculum and the activities provided to them at the instituted further steps would be taken conduct workshops and guest lectures to provide practical and updated knowledge to students. Students would be given opportunities for presentation and use multimedia to improve their communication and presentation skills. Faculties will provide feedback to students for their improvement. Faculty should follow a rigorous evaluation procedure by considering individual project , group projects, presentation and other means as required in the course.
